Purpose of Newman Bible Academy: This Academy exists to train men and women for worldwide Christian ministry as pastors, missionaries, teachers, and lay-workers. Our goal is to train students by strengthening their Christian faith, in order to proclaim and defend the teachings of the inerrant Word of God. This purpose is pursued through training in Bible, theology, and practical ministry, plus the development of personal spiritual maturity and zeal. Our existence is grounded in the Great Commission, which is to proclaim the gospel of Christ to the entire world, and make disciples of all those who respond to Christ. The Academy is global in nature, and designed to provide training for those who can least afford it anywhere in the world.

Study tips: It is suggested that the student carefully study each reading. First, read through the assigned section to get a general overview. Reread the section, and write down important concepts as you read along. Review. Review. Review. Rehearse and visualize the contents. Memorize key concepts. Take the exam. The exams are open book, but realize that you must know the material very well to complete the exams within the time limit allowed.

Book acquisition: You do not need to purchase any books as everything you need is found on the internet. Of course, you will need a Bible.
